If your child orders a lunch but then packs for that day, the school must pay for that lunch even if you are approved for free or reduced lunches. If you ordered it, please take it.

If you are approved for free lunches but pack you must pay for milk or orange juice. The state does not subsidize the drink unless it was served with the lunch.

Anyone who was approved for Free/Reduced lunches last year but did not qualify or did not apply for this year will be considered full pay as of **9/22/11**. If your economic status changes during the school year, please contact the school office for a lunch assistance application. You may qualify for lunch assistance.

If you qualify for Free or Reduced lunches you must still send in an order each week. We cannot assume your child wants a lunch.

You can order for a full month. Just make sure that you keep a record of which days you are buying.

You can also order for more than 1 student on the same envelope. **MAKE SURE YOU LIST EACH STUDENT AND GRADE.** Be sure to clearly mark the envelope so that we know which student is buying which days. Be sure to put the LUNCH WEEK date on the envelope.

If you have any lunch questions you can always contact Mrs. Etter. She will try to answer your questions.

MOST IMPORTANTLY lunches are ordered a week in advance. I must submit the lunch order on Tuesday for the next week. This means that I need your lunch order by Tuesday morning.

Thank you!
