

SCRIP is...Sweet and Simple!

- We buy gift cards at a discount. *(Example: a \$25 Meijer card costs us \$24; a \$25 Speedway card costs us \$23.75, a \$25 Lands End card costs us \$21)*
- You buy them from us at full face value and spend full face value.
- The difference is profit for Queen of Angels.
- 50% of the profit goes to Queen of Angels.
- 50% of the profit you direct to tuition, parish debt, or ministry.

Use SCRIP

Use the card at the register just like cash. In most cases, the SCRIP you buy looks just like the gift cards the stores sell. If you give it as a gift, they won't even know you bought it from SCRIP!
